

## Catering & Duties

We offer full catering including all meals, morning and afternoon teas and supper. Fresh fruit, hot and cold drinks are available all the time. A cooked breakfast can be supplied at an additional cost.

We take pride in our delicious, home cooked, nutritional meals carefully planned to satisfy all appetites. We are able to cater for special dietary requirements when notified in advance. Please contact us before camp about any life threatening allergies. We have three high chairs available.

Meal times are: Breakfast: 8.00am, Lunch: 12.30pm. Dinner 5.30pm or 6.00pm.

We are happy to make changes to the meal times by ½ hour, we will need to be notified before camp to organize staff.

A B.B.Q. or picnic can be prepared for you if you order it when giving your numbers attending the camp. We have a large flood lit B.B.Q area where you can cook it, or we will cook it for you.

A leader is responsible to supervise the duty group in the dining room in the following duties

- Setting tables 15 minutes before meal time
- Washing dishes in dishwasher
- Clearing and wiping tables
- Vacuum floors

Arrangements can be made for camp staff to do this for a small charge of 5% to 10% of account.
