

Extreme Weather Conditions

This will cover total fire ban days, severe storm warning, lightning, and wind storms just to name a few. We will contact the relevant agencies to get the level rating below. The bush will be off limits unless clear by the relevant authorities.

Low / Med level

Normal activities can be operated but you must be contactable at all times and report in regularly to camp

High Level

Normal activities can be operated but you must research the conditions before leaving the Town area. You must be contactable at all times and report in regularly to camp. Camp leaders will setup alternative programs if required.

Very High Level

Normal activities can be operated but you must research the conditions before leaving the Town area. You must be contactable at all times and report in regularly to camp. Camp leaders will setup alternative programs if required.

Severe

You must stay on site or in the town area. You must be contactable at all times and report in regularly to camp. Camp leaders may be required to setup alternative programs.

Extreme

You must stay on site. Camp leaders will be required to setup alternative programs. Camp Staff will assist with these alternative programs.

Catastrophic (Code RED)

Our aim is to close the camp due to Government instructions. The options of leaving the camp and returning home is our first priority. We will endeavour to vacate the Campsite prior to these days. This will need to be assessed to see that it is safe to do so.

Total Fire Ban days can be called at any level and this may restrict your access to different areas of the region for programming.

Note: Weekend /Community group leaders **must** know when people leave the site and return. A sign in and out sheet is recommended. Groups leaving the site must inform the camp office of their destination. All groups / individuals leaving the site must have a mobile phone or hand held UHF radio.
