

CAR PARK

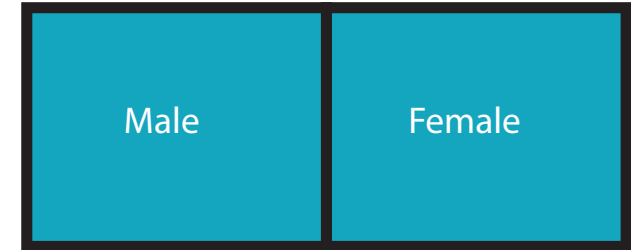

COLIN ARTHUR WING

Please be aware of which rooms have been allocated to you on the Hire Form. It is suggested that the Colin Arthur & Lindsay Lockett wings be filled first. Please fill rooms accordingly and only use the necessary rooms for your camp numbers. Extra beds can be placed in some rooms if needed. When separating females and males, Seabreeze is recommended for males. Again only using rooms needed to accommodate your numbers. Please do not hesitate to speak to camp staff prior to your camp for help with room allocations. Your cooperation in this matter is greatly appreciated. Thank you.
