Mill Valley Ranch (MVR) Open Day

The MVR Drill Team debut performance was a huge success at the recent open day and it was wonderful to see so many smiling faces throughout the day. The open day showcased the skills of the Drill Team and an opportunity to tour the ranch, enjoy some country cooking and have fun on pony rides and participate in the many activities as part of the day. Well done to all the MVR team the volunteers and the many people that fully enjoyed a fantastic day!
