

Horse Riding

Horse Riding is a very exciting activity, but there are a few important rules to keep us as safe as possible.

We cannot go into the Horse Yards until we've been invited in by the Horse Staff. It's also important not to pat or feed the horses, or sit/hang on the fence.

We need to be wearing long pants and boots with a heel when at the horses, there are boots to borrow if we need. We will also need to wear a helmet.

When in the arena it's very important to listen to everything the Horse Staff say and stand still while waiting to go over to the horse.
